Re: List of Uses of Student Directory Information Policy/ Opt Out Form for 2017-2018 school year

Dated: September 29, 2017

New legislation (Section 1136(6) of the Revised School Code, MCL 380.1136(6)), requires that the attached policy be shared with parents and legal guardians of students attending an Oakland University Board of Trustees authorized public school academy. We ask that the Boards of each of our schools do the following:

- Share the policy and opt-out form at your next Board meeting
- Post the policy on the Academy website where all parents/guardians can see
- Advise the PSA Office of any opt outs at your school
- Advise the Academy community that this policy and opt out form will also be posted on the PSA Office website at www.oakland.edu/psa

If you have any questions about the policy or this letter, please contact the PSA Office at:

248-370-4596

Thanks everyone!
